

Family Tree Project

Create a Family Tree

Start with yourself, add your parents, and your grandparents. Cut and glue circles to add in siblings or other family members.

OR

Build a tree for a historical figure or favourite character from a book or movie.

OR

Create your own important people tree. Write the names of special people in your life, including friends, teachers, and coaches. List things about them in the ovals.

Add in as much detail as you can, birth dates, where people were born, where they went to school, what they did, languages they spoke, and what they ate.
